

Requester Code of Conduct

To ensure a fair, professional, and efficient experience for all parties, Requesters on The Cyber Exchange are expected to uphold the following standards:

1. Clarity and Honesty

- Provide clear, accurate project details, timelines, and expectations.
- Disclose all relevant requirements to ensure fair competition.

2. Responsiveness

- Respond promptly to provider questions, proposals, or clarification requests.
- Notify providers if your project is postponed or canceled.

3. Respect and Professionalism

- Treat providers with professionalism and respect throughout the engagement.
- Offer feedback constructively and in good faith.

4. Platform Integrity

- Do not engage in off-platform agreements to bypass fees.
- Do not use the platform to solicit work without intent to hire.

5. Confidentiality

- Respect the confidentiality of provider proposals and communications.
- Do not share sensitive proposal or profile information outside authorized personnel.

Note: Failure to adhere to this code may result in suspension or restriction of platform access.
